

WISCONSIN TURKEY DONATION PROGRAM

SPRING 2018 SEASONS

*Funded by Wisconsin's Wildlife Damage Program
and Hunter Donations*

HUNTERS: You can help feed needy people throughout Wisconsin this fall by taking the following five simple steps:

- Legally harvest and register a turkey
- Field-dress and keep the turkey in a cool location
- Call a participating processor to make sure that they are prepared to accept the donation
- Drop the turkey off at a participating processor, during regular business hours, by May 31st, 2018
- Fill out the log sheet at the processor to verify the donation. Hunters must donate the entire turkey carcass in order for the processing cost to be covered by the turkey donation
